How to use Calling Solution in Gridlex Zip?

Step 1: Sign Up for Gridlex Zip 30-Day Free Trial

To start your free trial, fill out the required information, including your name, email address, and desired password. Click "Sign Up" to complete the registration process and activate your free trial.
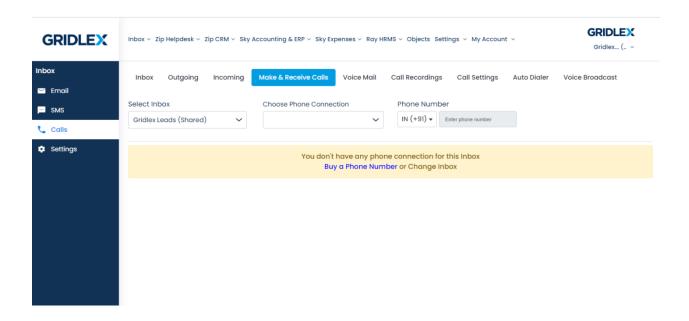

Step 2: Receive $2 Credit in Your Gridlex Zip Wallet

After successfully signing up, Gridlex Zip will automatically add $2 to your wallet, which can be used to avail the calling feature.
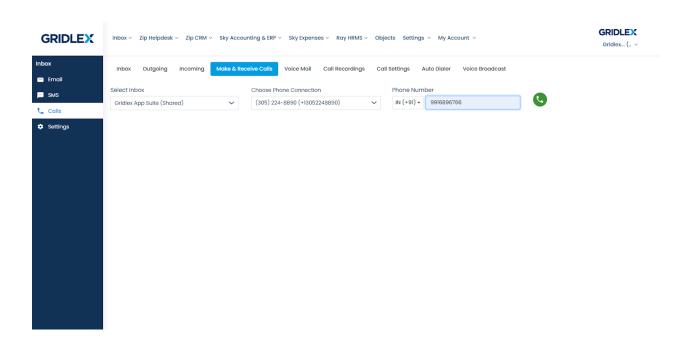

Step 3: Buy a Phone Number

Click on "Buy a Phone Number". Browse the available phone numbers and choose the one you prefer.

Note: If the cost of the selected number exceeds $2, you need to add more funds to your wallet. To add funds, navigate to the "Wallet" section and follow the prompts to deposit the required amount. Once you have sufficient funds, proceed to purchase the chosen phone number.

Step 4: Start Making Calls

In your Gridlex Zip account, go to the "Make & Receive Calls" section. Dial the phone number you wish to call by entering the number in the "Phone Number" field. Press the "Call" button to initiate the call.

Now you can enjoy making calls using your Gridlex Zip account!
